## **BASIC INFORMATION**

### **1. What is this Notice and why should I read it?**

The Court authorized this Notice to inform you about a proposed Settlement with Ibex. You have legal rights and options that you may act on before the Court decides whether to approve the proposed Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

Judge Trevor N. McFadden of the United States District Court for the District of Columbia is overseeing this class action. The case is called *Sanders, et al. v. Ibex Global Solutions, Inc., et al.*, Case No. 1:22-cv-00591-TNM.

### **2. What is a class action lawsuit?**

A class action is a lawsuit in which one or more plaintiffs—in this case, Plaintiffs and Class Representatives Monique Sanders, Darla Soich, and Christopher Harrison—sue on behalf of a group of people who have similar claims. Together, this group is called a “Class” and consists of “Class Members.” In a class action, the court resolves the issues for all class members, except those who exclude themselves from the class.

## **THE CLAIMS IN THE LAWSUIT AND THE SETTLEMENT**

### **3. What is this lawsuit about?**

Plaintiffs claim that Defendants failed to implement and maintain reasonable security measures to adequately protect the PII in its possession and to prevent the Data Security Incident from occurring.

Defendants deny that they are liable for the claims made in the lawsuit and deny any allegations of wrongdoing. More information about the complaint in the lawsuit can be found on the Settlement Website at [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com).

### **4. Why is there a Settlement?**

The Court has not decided whether the Plaintiffs or Defendants should win this case. Instead, both sides agreed to this Settlement. That way, they can avoid the uncertainty, risks, and expense of ongoing litigation, and Settlement Class Members will be eligible to get compensation now rather than years later—if ever. The Class Representatives and attorneys for the Settlement Class

Members, called Class Counsel, agree the Settlement is in the best interests of the Settlement Class Members. The Settlement is not an admission of wrongdoing by the Defendants.

## WHO'S INCLUDED IN THE SETTLEMENT?

### 5. How do I know if I am in the Settlement Class?

You are part of the Settlement as a Settlement Class Member if you received a notification letter from Ibex stating that your PII may have been compromised during the Data Security Incident. PII may include names, addresses, dates of birth, Social Security numbers, and medical information.

Settlement Class Members will have been mailed notice of their eligibility. If you are still not sure whether you are included, you can contact the Settlement Administrator by calling 1-877-659-6287, by emailing [info@IbexDataSettlement.com](mailto:info@IbexDataSettlement.com), or by visiting the website [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com).

This Settlement Class does not include (i) the judges presiding over the Action, and members of their direct families; and (ii) all class members who timely and validly request exclusion from the class.

## THE SETTLEMENT BENEFITS

### 6. What does the Settlement provide?

Under the proposed Settlement, Ibex will pay (or cause to be paid) \$2,400,000.00 into a Settlement Fund. The Settlement Fund, plus interest accrued thereon, will pay notice and administration costs, Court-approved attorneys' fees and expenses, Court-approved service awards for class representatives, and certain Settlement Fund taxes and tax expenses (the "Net Settlement Fund"). The Net Settlement Fund will be used to provide eligible Settlement Class Members with payments and benefits described below.<sup>1</sup>

**Reimbursement for Lost Time and Out-of-Pocket Expenses:** If you spent time responding to the Data Security Incident, you may be eligible to receive compensation for Lost Time. If you incurred financial losses that are fairly traceable to the Data Security Incident, you may be eligible to receive compensation for Out-of-Pocket Expenses.

- A. **Lost Time:** A claim for reimbursement may also include a claim for up to 5 hours of time spent in response to the Data Security Incident. Lost Time will be compensated at \$25.00/hour and requires a brief description of the action taken in response to the Data Security Incident and the time associated with those actions.

---

<sup>1</sup> If the benefits claimed by all Settlement Class Members meets or exceeds the amount of the Net Settlement Fund, then the payments and/or benefits for your Claim may be reduced *pro rata* by the Settlement Administrator so that the aggregate cost of all payments and benefits does not exceed the amount of the Net Settlement Fund.

- B. Out-of-Pocket Expenses or Losses:** A claim for reimbursement may include, but are not limited to the following provided the expenses were incurred primarily as a result of the Data Security Incident: (1) costs associated with purchasing credit monitoring or identity theft insurance; (2) costs associated with requesting a credit report; (3) costs associated with a credit freeze; (4) costs associated with cancelling a payment card and/or obtaining a replacement payment card; (5) costs associated with closing a bank account and/or opening a new bank account; (6) postage, long-distance phone charges, express mail and other incidental expenses, if you provide documentation of the charges and an explanation satisfactory to the Settlement Administrator of their relationship to the Data Security Incident; (7) unrefunded overdraft and/or overdraft protection fees; (8) unrefunded late and/or missed payment fees and/or charges; and (9) damage and costs associated with any stolen benefits or tax returns.

**Identity Theft and Credit Monitoring:** All Settlement Class Members are eligible to receive five (5) years of identity theft protection and credit monitoring, which includes identity theft monitoring, alerts, three bureau credit monitoring, fraud resolution, and up to \$1 million identity theft insurance coverage for certain costs, identity restoration, and unauthorized electronic fund transfers.

**Cash Payments for Identity Theft or Data Misuse:** Settlement Class Members who experienced actual or attempted identity theft or data misuse are eligible to receive a cash payment of One Hundred Dollars and Zero Cents (\$100.00). To receive this payment, Settlement Class Members must submit a valid Claim Form that includes documentation demonstrating that the Settlement Class Member: (i) experienced actual or attempted identity theft; or (ii) experienced other verifiable misuse, including receiving fraud alerts or alerts of information being on the dark web.

The maximum claim for Lost Time, Out-of-Pocket Losses and Cash Payment for Identity Theft or Data Misuse is \$5,000.00.

**Confirmatory Discovery:** Defendants have also agreed to provide documents and information to Class Counsel showing that Ibex has taken data security measures to remedy the issues that led to the Data Security Incident and has implemented other business practices to help ensure information security. For complete details, please see the Settlement Agreement, whose terms control, available at [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com).

## **HOW TO GET BENEFITS**

### **7. How do I make a Claim?**

To qualify for a Settlement benefit, you must complete and submit a Claim Form.

Settlement Class Members who want to submit a Claim must fill out and submit a Claim Form online at [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com) or by mail to the Settlement Administrator. Claim Forms are available through the Settlement website at [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com) or by calling 1-877-659-6287.

**All Claim Forms must be submitted no later than March 20, 2023.**

## **8. When will I get my payment?**

The hearing to consider the fairness of the Settlement is scheduled for **March 10, 2023 at 10:00 a.m.** If the Court approves the Settlement, eligible Settlement Class Members whose claims were approved by the Settlement Administrator will be sent payment after all appeals and other reviews, if any, are completed. Please be patient.

## **THE LAWYERS REPRESENTING YOU**

## **9. Do I have a lawyer in this case?**

Yes, the Court has appointed Federman & Sherwood and Murphy Law Firm as “Class Counsel” to represent you and all class members. You will not be charged for these lawyers. You can ask your own lawyer to appear in Court for you at your own expense if you want someone other than Class Counsel to represent you.

## **10. How will the lawyers be paid?**

To date, Class Counsel has not received any payment for their services in conducting this litigation on behalf of the Class and have not been paid for their out-of-pocket expenses. Class Counsel will ask the Court for an award of attorneys’ fees not to exceed 30% of the Settlement Fund and for the reimbursement of litigation costs and expenses not to exceed \$30,000, which were incurred in connection with the Action. Such sums as may be approved by the Court will be paid from the Settlement Fund.

Class Counsel will also request a service award of Four Thousand Dollars and Zero Cents (\$4,000.00) for each of the Plaintiffs.

The Court will determine the proper amount of any attorneys’ fees, costs, and expenses to award Class Counsel and the proper amount of any service awards to Plaintiffs.

Class Counsel will file their request for attorneys’ fees, costs, and expenses and Service Awards for Plaintiffs with the Court, which will also be posted on the Settlement Website, at [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com).

## **YOUR RIGHTS AND OPTIONS**

## **11. What claims do I give up by participating in this Settlement?**

If you do not exclude yourself from the Settlement, you will not be able to sue Defendants about the Data Security Incident, and you will be bound by all decisions made by the Court in this case, the Settlement, and its included Release. This is true regardless of whether you submit a Claim Form. However, you may exclude yourself from the Settlement (*see FAQ #14*). If you exclude yourself from the Settlement, you will not be bound by any of the Released Claims, which are described in the Settlement Agreement at [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com).

## **12. What happens if I do nothing at all?**

If you do nothing, you will receive no payments or benefits under the Settlement. You will be in the Settlement Class, and if the Court approves the Settlement, you will also be bound by all orders and judgments of the Court, the Settlement, and its included Release. You will be deemed to have participated in the Settlement and will be subject to the provisions of Section 11 above. Unless you exclude yourself, you won't be able to file a lawsuit or be part of any other lawsuit against Defendants for the claims or legal issues released in this Settlement.

## **13. What happens if I ask to be excluded?**

If you exclude yourself from the Settlement, you will receive no payments or benefits under the Settlement. However, you will not be in the Settlement Class and will not be legally bound by the Court's judgments related to the Settlement Class and Defendants in this class action.

## **14. How do I ask to be excluded?**

You can ask to be excluded from the Settlement. To do so, you must send a letter to the Settlement Administrator stating that you want to be excluded from the Settlement in *Sanders, et al. v. Ibex Global Solutions, Inc., et al.*, Case No. 1:22-cv-00591-TNM. Your letter must include (1) your full name and current address; (2) a statement that you wish to be excluded from the Settlement Class; and (3) your signature. You must mail your exclusion request, postmarked no later than **February 17, 2023**, to the following address:

Ibex Data Security Settlement Administrator  
c/o Postlethwaite & Netterville  
PO Box 1908  
Baton Rouge, LA 70821

You cannot exclude yourself by phone or email. Any individual who wants to be excluded from the Settlement must submit his or her own exclusion request. No group opt-outs shall be permitted.

## **15. If I don't exclude myself, can I sue Defendants for the same thing later?**

No. Unless you exclude yourself, you give up any right to sue Defendants for the claims or legal issues released in this Settlement, even if you do nothing.

## **16. If I exclude myself, can I get anything from this Settlement?**

No. If you exclude yourself, do not submit a Claim Form for payment or benefits.

## **17. How do I object to the Settlement?**

If you do not exclude yourself from the Settlement Class, you can object to the Settlement if you do not agree with any part of it. You can give reasons why you think the Court should deny

approval by filing an objection. To object, you must file a written notice with the Court stating that you object to the Settlement in *Sanders, et al. v. Ibex Global Solutions, Inc., et al.*, Case No. 1:22-cv-00591-TNM. Your objection must be filed no later than **February 17, 2023**.

The objection must be in writing and be personally signed by you. The objection must include: (i) the name of this case; (ii) your full name, current mailing address, and telephone number; (iii) a statement of your position(s), including the grounds for the objection; (iv) a statement as to whether the objection applies only to the objector, to a specific subset of the class, or to the entire class; (v) copies of any documents supporting the objection; (vi) the identity of any attorneys representing the objector; (vii) a statement regarding whether you (or your attorney) intends to appear at the Final Approval Hearing; (viii) a list of all other matters in which you and/or your attorney has lodged an objection to a class action settlement; and (ix) your signature or the signature of your attorney.

In addition to filing your objection with the Court, you must also mail copies of your objection and any supporting documents to both Class Counsel and Defendants' lawyers at the addresses listed below, postmarked no later than **February 17, 2023**:

<b>Class Counsel</b>	<b>Defendants' Counsel</b>
William B. Federman Federman & Sherwood 10205 N. Pennsylvania Ave. Oklahoma City, OK 73120  A. Brooke Murphy Murphy Law Firm 4116 Will Rogers Pkwy, Suite 700 Oklahoma City, OK 73108	Brian E. Middlebrook John T. Mills Joseph L. Meadows Gordon Rees Scully Mansukhani, LLP One Battery Park Plaza, 28 <sup>th</sup> Floor New York, New York 10004

**18. What's the difference between objecting and excluding myself from the Settlement?**

Objecting simply means telling the Court that you don't like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself from the Settlement Class is telling the Court that you don't want to be part of the Settlement Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

**THE COURT'S FAIRNESS HEARING**

**19. When and where will the Court hold a hearing on the fairness of the Settlement?**

The Court will hold the Final Approval Hearing on **March 10, 2023 at 10:00 a.m.**, at the Elijah Barrett Prettyman Courthouse, 333 Constitution Avenue N.W., Washington D.C., 20001, Courtroom 2. The purpose of the hearing is for the Court to determine whether the Settlement is

fair, reasonable, adequate, and in the best interests of the Settlement Class. At the hearing, the Court will hear any objections and arguments concerning the fairness of the proposed Settlement, including those related to the amount requested by Class Counsel for attorneys' fees, costs, and expenses and the service awards to Plaintiffs.

The location, date and time of the Final Approval Hearing are subject to change by Court order. Any changes will be posted at the Settlement Website, [www.IbexDataSettlement.com](http://www.IbexDataSettlement.com), or through the Court's publicly available docket. You should check the Settlement Website to confirm the date and time have not been changed.

## **20. Do I have to come to the hearing?**

No. Class Counsel will answer any questions the Court may have. But you are welcome to attend the hearing at your own expense. If you send an objection, you don't have to come to Court to talk about it. If your written objection was filed or mailed on time and meets the other criteria described in the Settlement, the Court will consider it. However, you may appear on your behalf or pay a lawyer to attend on your behalf to assert your objection if you would like.

## **21. May I speak at the hearing?**

Yes. If you do not exclude yourself from the Settlement Class, you (or your attorney) may appear and speak at the Final Approval Hearing concerning any part of the proposed Settlement.
